THRU : Chief, D/S
Chief, S/TR

Temporary Revision of S/TR Requirements

Due to reorganization within ERA, this branch requires temporary amendments to its standing requirements prior to the July 1958 revision. The following are standing S/TR requirements on information having to do with the development of the Soviet Northern Sea Route and the Arctic:

I. See Transportation Branch (S/TR) OCI Routing Requirements
p. 7.

In addition:

I. All information having to do with the standing S/TR requirements which may have been routed to S. OM/A in lieu of S/TR.

- A. All Northern Sea Route naval information
- B. All Arctic meteorological information
- C. All maritime and aerial ice reconnaissance
- D. All Polar Aviation activity
- E. All Arctic military air activity
